The programme

2.00pm Welcome and overview of the session

2.10pm Marketing technology – a briefing for non-profits

2.40pm 30 Minute: Open Q&A

3.10pm Summary and close

Making Digital Real

- We are a **specialist** information systems consultancy
- We only work with **charities**, associations, trusts and others in the not-for-profit sector
- We are completely **supplier-independent**
- Our consultants have held **senior** positions in a broad range of different organisations
- Our advice and guidance is based on **practical experience** gained over many years

Our Mission and Purpose

Our Mission

We **empower** organisations to deliver transformational impact through more effective use of technology and ways of working

From our minds...

Our Mission

We **empower** organisations to deliver transformational impact through more effective use of technology and ways of working

Our Purpose

From **our minds to your minds** – our team of experienced, independent consultants work with you to transfer their knowledge, share their expertise, and **develop your organisational capability**

Maximising MarTech

...that work together to facilitate & enhance marketing activities & processes.

So what are they doing?

Centralised, reliable source of information that serves as the authoritative reference for an organisation.

Centralised, reliable source of information that serves as the authoritative reference for an organisation.

Marketing data, insights, and analytics are consistent, accurate, and easily accessible across different platforms and departments.

But they're not there yet...

... and neither are we.

Marketing Technology Stack

Canva

Marketing Technology Stack

When was the last time..

Assess if your MarTech is fit for purpose?

Review what can be integrated?

Ensure you're utilising the latest features?

Understand what could be automated via the tools?

Ensure your Use Cases are aligned with your strategic goals?

Identify the critical functions for your organisation and map them against your MarTech solutions?

The HubSpot logo is centered within a magenta rounded rectangle. The logo consists of the word "HubSpot" in a dark teal, sans-serif font. The letter "o" in "Spot" is replaced by an orange icon of a network node with three connecting lines. The background features a dark grey gradient with faint white lines radiating from the top and bottom of the magenta box, and abstract geometric shapes in purple, orange, and blue in the corners.

Key Considerations

Can the tool offer the right features to manage your workflows?

Can it scale with your organisation?

Does it work with your existing martech stack tools?

Can you utilise the insights with ease?

Does it simplify your efforts without reducing the impact?
